

Bronze/Silver

5a. Match the calculations to their products.

1.52×7 20.46

8.38×2 48.96

5.44×9 10.64

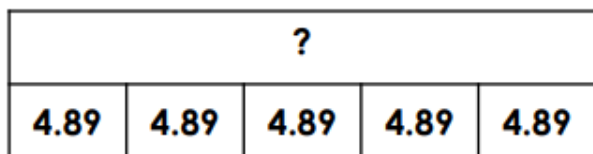

6.82×3 16.76

7a. Use $<$, $>$ or $=$ to complete the statements below.

7.16×4 28.64

36.31 3.92×8

8a. Complete the bar model below.

5a. Select and arrange the cards to create a multiplication calculation.

7.29	6	8.28	5
------	---	------	---

35.65	7.31	8	36.55
-------	------	---	-------

\times =

Which cards are not needed?

Silver/Gold

9a. Match the calculations to their products.

7.046×8 58.941

9.187×6 62.314

8.902×7 55.122

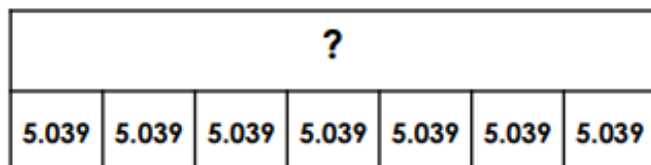

6.549×9 56.368

11a. Use $<$, $>$ or $=$ to complete the statements below.

4.856×9 43.074

47.409 7.902×6

12a. Complete the bar model below.

8a. Select and arrange the cards to create a multiplication calculation.

53.468	7.706	8	7.607
--------	-------	---	-------

68.463	9	6.706	69.534
--------	---	-------	--------

\times =
